THIRD Sunday of LENT Year B - 4th March 2018

ALWAYS NEEDING REFORM ...We all have our part to play in ensuring that the church is what the Lord intends it to be. Lent in particular is a time for listening to the Spirit. If we let the Spirit renew our lives we will conform more fully to the image and likeness of Christ. The fiery Jesus of the gospel who is passionate about what God wants remains alive and active at the heart of the church today. The relationship between the Lord and the church, between the Lord and each one of us, will always be marked by a certain tension, because the Lord will always be working to purify and renew us. In the light of the gospel we might ask ourselves in what ways we have allowed the values of the market place to override the values of the gospel in our own lives, in the life of our society, in the life of our church...

SAINT FRANCIS XAVIER NOVENA 4th March to 13th March.

SFX Novena Prayer.

O most kind and loving saint, in union with you we adore the Divine Majesty.

The remembrance of the favours with which God blessed you during life

and of your glory after death, fills us with joy;

and we unite with you in offering to Him our humble tribute of thanksgiving and of praise.

We implore of you to secure for us, through your powerful intercession
the all important blessing of living and dying in the state of grace.

We also beseech you to obtain the favour we ask in this Novena (- - - -),

but if what we ask is not for the glory of God or for the good of our souls,

obtain for us what is most conducive to both. **Amen**

O God, who was pleased to gather into your Church the peoples the East by the preaching and miracles of blessed Francis, mercifully grant that we, who honour his glorious merits, may also imitate the example of his virtues, through Jesus Christ our Lord. Amen. (Our Father, Hail Mary, Glory be to the Father)
