11th Sunday of Year B - 17th June 2018

"DAY FOR LIFE" SUNDAY is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. The Day for Life collection assists the work of the Anscombe Bioethics Centre and other life-related activities supported by the Church

On this Day for Life 2018, we pray for the victims of human trafficking, that their dignity is respected and that they may be helped to rebuild their lives. In the UK alone it is estimated that every year there are over 13,000 victims of trafficking. Day for Life asks for your prayers and donations in supporting those who work to restore the victims' lives to the full.

TO DONATE Day for Life is celebrated yearly by the Catholic Church in Ireland, Scotland, England and Wales. It is a day dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The proceeds of the Day for Life collection is used for the promotion of the dignity of the human person. Money collected for Day for Life will be used to fund projects that support work in this area by organisations which further this objective. Your donation is greatly appreciated. For more information, and to donate online, please visit www.dayforlife.org/donate
