## NEWSLETTER

**Third Sunday of Lent Year B 7th March 2021**

“As part of our Lenten journey, we are asked to get rid of all that gets in the way of our relationship with God. We pray today that we may let go of all that weighs us down in our lives, in our sinfulness, our fears and anxieties or failure to see and trust in God's plan for us.

First reading (Exodus 20:1-17) The Ten Commandments are a map of life for a chosen people that has a special relationship with God

Second reading (1 Corinthians 1: 22-25) St Paul preached a crucified Christ. To some it made no sense. To others it was a sign of the wisdom and power of God.

Gospel (John 2: 13- 25) By chasing the money changers and sellers of sacrificial animals out of the Temple, Jesus passed judgement on the Jewish system of worship.

Jesus completed and perfected the Ten Commandments in that he encouraged his followers not to just keep to the letter of the law. He wanted us to have a change of heart, to understand more fully that we are called, chosen by name, and we are asked to respond to the commandments in love and out of love.

Let us pray for each other as we progress through Lent. Keep safe and thank you all. Special thanks to those who enable it to be possible to keep the church open each day.” **Fr Adrian**

**DURING LENT there will be an extra Mass on Fridays at 7.00pm followed by Exposition for 30 minutes until 8.00pm**

**ST JOSEPH** March is by custom is devoted to St. Joseph and his great feast day is on 19th March. The Holy Father Pope Francis has dedicated this year to him in commemoration of the 150th anniversary of the saint's proclamation as the Patron of the Universal Church by Pope Pius IX on 8th December, 1870. We thus have every reason to invoke him in our prayers. One traditional prayer that you may or may not be familiar with is the Litany of St. Joseph. It was approved for public use by Pope St. Pius X in 1909, although its origins go back further. It contains twenty-five invocations expressing the virtues and dignity of St. Joseph. **To read it go to:** <https://mailchi.mp/portsmouthdiocese/month-of-march-st-joseph>

**THE HOLY FATHER** has just issued his Message for Lent for 2021. In this Message, under the title, "*Behold we are going up to Jerusalem*", Pope Francis gathers and arranges the lessons of the passion, crucifixion and resurrection of Jesus into a triad of theological virtues: *faith, hope* and *charity*, and a triad of Lenten exercises: *self-impoverishment* (as in fasting and abstinence), *prayer* and *charity/almsgiving*. These two triads are woven together into forming the Pope's message this year; and, as you can see, they are virtues and exercises which Jesus himself lived and handed on to his followers to be lived also: *to make them more Christ-like!* With his Lenten message, Pope Francis recommends the same virtues and exercises, which Jesus taught his disciples, to us for our Lenten journey to the feast of the resurrection of Jesus at Easter 2021. **CAFOD** invites you this Lent, to join the Big Walk for Water Join the Big Walk for Water! We are asking everyone to walk in solidarity with those who have to walk to collect water each day like Abdella from Ethiopia. You can walk 5 miles or just around your garden but please walk so that we can make this an event to create awareness of water poverty and to raise funds for those living in poverty around the world.

**ANNIE BENFIELD, from our Parish, is doing this as a sponsored walk. She writes** "When I read Abdella's story, not only it struck a chord with me but it instantly stopped being just a case study. I could not stop thinking how he and my grandson Kip, despite sharing the same age could lead such extremely different lives. On the one hand, Kip who is 23, is working to support himself and study to build his career at Uni but like any 23 year old around him, still has fun in the holidays. Yet, Abdella has to walk 10 hours a day to provide the most basic of human necessities." **To donate, go to her fundraising page:** <https://walk.cafod.org.uk/fundraising/walk-for-water1399> You can also contact her on 01202 422518
