REMEMBRANCE SUNDAY NEWSLETTER

33rd Sunday of Year B 14th November 2021

"DO THIS IN MEMORY OF ME" These words of Christ at the Last Supper were more than a simple command to commemorate. They are a call to awakening, that in this life, Jesus of Nazareth, has left His mark on the world. As we come to the altar to follow this command, the effects of that first Good Friday are not only called to mind, but are brought to effect having a direct bearing on our lives.

Our memory forms us, it has an impact on who we are as individuals and as a society. ... Memory informs, rightly or wrongly, and impacts our decision making and therefore our future. It also keeps the events of the past effective in our lives. This Month of the Holy Souls is a particular time where we recall, with an act of memory, those who have gone before us from this life and have left their mark, directly or indirectly. It is good that we should have a season of the year for remembrance, a time when we feel that that veil between time and eternity is thin, and we can sense that a greater and wider communion of saints to which we belong. The Church has settled this feast on a time in the turning of the year when the pre-Christian Celtic religions were accustomed to think of and make offerings for the dead. The Church kept the day, but it changed the custom. The greatest and only offering, to redeem both living and dead, has already been made by Christ, and if we want to celebrate our loving connection on both sides of the veil, we need only now to make gifts for and to the living.

Today we especially 'remember' those who have given their lives through war in service of our country. They have left home and family often to foreign lands in the search of justice, freedom and peace; the effects of which we feel in our society today. The world could have been a very different place for us without their sacrifice, which cannot and should not be forgotten. The memories we recall this Remembrance Sunday should spur us forward in the search for true harmony and peace throughout the world. As the Lord commanded the apostles to "Do this in memory of me", we gather this day praying for the graces of the great sacrifice of Calvary to engulf the whole world that we may live in the harmony for which Christ prayed; and to our fallen we say **"We will remember them"**.

WORLD DAY OF THE POOR The day will be celebrated globally in the Catholic Church on Sunday 14 November 2021 and has the theme: "The poor you will always have with you" (Mark 14:7).

"It is my hope that the celebration of the World Day of the Poor, now in its fifth year, will grow in our local Churches and inspire a movement of evangelization that meets the poor personally wherever they may be. We cannot wait for the poor to knock on our door; we need urgently to reach them in their homes, in hospitals and nursing homes, on the streets and in the dark corners where they sometimes hide, in shelters and reception centres. It is important to understand how they feel, what they are experiencing and what their hearts desire." **Pope Francis, Message for World Day of the Poor, 2021**
